CONSENT OF THE DATA SUBJECT TO HIS/HER PERSONAL DATA PROCESSING

I hereby, being the data subject, expressly confirm and agree that I provide to the company TMS SolarWeb Ltd, 254 Arch. Leontiou A', Maximos Court A', 5th floor, Office no. 51, 3020, Limassol, Cyprus (hereinafter – the "Controller" or "Mellow.io"), and its affiliated persons, its subsidiaries, controlling and controlled companies, as well as processors authorized by the Controller, my consent to the collection, processing, disclosure, storage and use of my personal data, namely any information directly or indirectly related to me, independently, voluntarily and based on free will, in my own interests and consciously.

I acknowledge that the personal data provided by me will be processed by the Controller (or by processors under the Controller's authorization) subject to the requirements of applicable laws, as well as in accordance with Mellow.io Privacy Policy (hereinafter the "Privacy Policy") available at https://www.mellow.io. Thes Policy contain information about the processing and protection of my information, collected in the process of its identifying and verifying on this website, by other means of communication with the Mellow.io service, or from other sources. By using this website or continuing to communicate with Mellow.io, I consent to the processing of my personal data in accordance with Mellow.io Policies applicable to me and with the terms set forth in this consent.

I hereby expressly give my consent to the collection, processing, storage, disclosure, and use of my personal data by the Controller in any ways and for all purposes stated below and in the Privacy Policy in accordance with applicable laws, including:

- To conclude and execute agreements between the Controller and me and register me as a user of the Mellow.io service.
- To ensure the protection of the rights and legitimate interests of customers, subcontractors, the Mellow.io service, its users and other interested parties.
- To improve my interactions with the Mellow.io service, its functionality, effectiveness, and usability.
- To personalize my experience as a user of the Mellow.io service, including but not limited to offering me special functionalities and features of the Mellow.io service and sending me system notifications.
- To fulfill the internal commercial (research) purposes of the Controller, directly related to the Mellow.io service.
- To keep records in accordance with applicable laws.

I hereby give my consent to the processing by the Controller of my personal data as follows: my last name, first name, patronymic, date and place of birth, country, address of residence or registration (including documents confirming this information), email address, phone number, webcam photos or video recordings, details of passport or other national identification document, payment card and other means of payment information, education, place of work, specialization, profession, occupation or position in the company,

information related to social identity (from publicly available sources, for example, information about credit history, professional experience), technical information (IP address, login, location of my device, preference settings, date and time of access to the Mellow.io service), information about transactions in the Mellow.io service, information related to activities in my personal account in the Mellow.io service, other information related to my identity, available or known at any particular time to the Controller in accordance with the Privacy Policy and applicable laws.

In addition, I acknowledge and agree that my personal data, including cookies, device identifiers, and other technical data, may be collected and used for the purpose of personalized advertising. This includes showing me relevant ads based on my behavior and interests.

I understand that Google, as a data partner, may use my personal data for ad personalization. For more information on how Google uses personal data when I use apps or websites that use their services, I can review their policies at: https://business.safety.google/privacy.

I hereby give my consent for the Controller to perform any actions in relation to my personal data that are necessary or desirable to achieve the above goals, including - without limitation - collection, recording, systematization, accumulation, storage, clarification (updating, changing), extraction, use, transfer (disclosure, provision, access), depersonalization, blocking, deletion, destruction of personal data, as well as the implementation of any other actions with my personal data, subject to the requirements of applicable laws.

I hereby confirm and consent to the processing of my personal data in the following ways: nonautomated processing of personal data; automated processing of personal data with or without transmission of the received information via information and telecommunication networks; mixed processing of personal data.

I hereby acknowledge and confirm that if it is necessary to provide my personal data to third parties to achieve the above purposes, as well as when engaging third parties to provide services/perform works in my interest, fulfill my agreements with the Controller (and/or its affiliated persons), or ensure the functionality/operation of the Mellow.io service, the Controller has the right to disclose my personal data to such third parties in order to perform the above purposes, as well as provide such persons with relevant documents containing such information. I also agree that in some cases, my personal data may be processed by the Controller for the purposes of executing my payments made or received using the Mellow.io service, as well as for “Know your client” and/or “Know your business” procedures (KYC, KYB). I hereby give the Controller my express consent to the processing of my personal data in the course of such activities and for such transactions, and the sharing of my personal data by the Controller with third parties, such as payment service providers and banks, for the purpose of fulfilling my payment requests by them. Moreover, I give my consent to the Controller to transfer my personal data to payment service providers and banks at their request, as well as to KYC/KYB/AML service providers for due diligence

purposes and to comply with applicable laws against money laundering and the financing of terrorism.

I hereby give my consent for the Controller to disclose, share, transfer my personal data:

- to the customers in the Mellow.io service (in whose ultimate interests I am going to perform/perform works/render services), such as my legal name, telephone number, email, specialization, a date of invitation to and a date of registration with the Mellow.io service, country, tax identification number (tax identification code), tax status, verification status, delivery status of an invitation letter, my payment methods and other information if the latter is required by applicable laws. This is necessary to enable me to accept tasks, participate in projects, and perform works/render services within the scope of such tasks and projects under the Subcontractor Offer Agreement on Performance of Works and Rendering of Services. The Controller may disclose or transfer my other information to the customers if required by applicable laws;
- to other subcontractors in Mellow.io service, who invited me to the Mellow.io service to create a team of subcontractors and/or to subcontractors who are in my team in the Mellow.io service. Such personal data being disclosed, shared, transferred, include: my full legal name, email, specialization, a date of invitation to and a date of registration with the Mellow.io service, country, tax identification number (tax identification code), tax status, verification status, delivery status of an invitation letter, and other information if the latter is required by applicable laws. This is necessary to enable me to join a team of subcontractors in the Mellow.io service, accept tasks and participate in projects and perform works/render services within the scope of such tasks and projects under the Subcontractor Offer Agreement on Performance of Works and Rendering of Services. The Controller may disclose or transfer my other information to the subcontractors if required by applicable laws.

I agree that, in some cases, my personal data may be processed by processors authorized by the Controller and located in certain jurisdictions outside the jurisdiction of my place of residence, in the legislation of which the level of personal data protection may not be as high as in the legislation of the country where I live and/or whose citizen I am. I hereby give the Controller my explicit consent to the cross-border transfer of my personal data to such third parties (processors) located in jurisdictions outside the jurisdiction of my place of residence and to the processing of my personal data by such parties (processors).

This consent is valid from the moment of its granting and until the moment of its withdrawal in accordance with the procedure established by law.

I understand that I can withdraw this consent in accordance with the procedure described in the Privacy Policy by submitting a written request to an email address: dpo@mellow.io. In case of withdrawal of my consent, the Controller is entitled to terminate the business relationships with me and/or delete my personal account in the Mellow.io service, and/or

continue processing my personal data without my consent on the grounds specified in art. 6.1 GDPR and/or in accordance with other applicable laws.

I hereby agree that, if I subsequently refuse to allow the Controller and/or Processor to collect, process, disclose, store and/or use my personal data or part of my personal data, I cannot or will not be able to use certain functionality of the Mellow.io service or use sections or modules of the Mellow.io service that require or may require my personal data in accordance with their intended purpose.

In the event of a change in my personal data, I undertake to inform the Controller about it within ten days.

By clicking the “Register” button, I hereby confirm that I have carefully read all of the above provisions. I acknowledge and express my voluntary, unequivocal, and informed consent that the Controller will process my personal data in accordance with the terms of this consent.
